

# Martin Treppner

## Education

- 04/2015 - today **Statistics (M.Sc.)** - Otto-von-Guericke-University, Magdeburg
  - Current grade: 1,7
- 10/2015 - 01/2016 **Exchange semester** - Middle East Technical University, Ankara
- 10/2011 - 03/2015 **Economics (B.Sc.)** - European-University Viadrina, Frankfurt (Oder)
  - Overall grade: 1,5
- 09/2013 - 12/2013 **Exchange semester** - Sookmyung Women's University, Seoul
- 08/2008 - 07/2011 **A-Level** - Barnim Gymnasium, Berlin
  - Overall grade: 2,6

## Work Experiences

- 04/2017 - today **Masters' thesis** - Max-Planck-Institute for evolutionary anthropology
  - Department of Genetics
  - Statistical modelling
  - Independently working on a research project
  - R Programming
  - Shell Scripting
- 10/2016 - 02/2017 **Tutor** - Institute for mathematical stochastics
  - Subject: Exploratory data analysis and probability
  - Organization and implementation of exercises
- 08/2016 - 10/2016 **Intern** - Max-Planck-Institute for evolutionary anthropology
  - Department of Genetics
  - Independently working on a research project
  - R Programming
  - Shell Scripting
- 04/2016 - 07/2016 **Tutor** - Institute for mathematical stochastics
  - Subject: Stochastics for engineers
  - Organization and implementation of exercises
- 08/2014 - 10/2014 **Intern** - Federal Ministry of Finance Germany
  - Department for research and policy consulting
  - Project management for research projects
  - Research on financial stability
  - Research on property markets
- 10/2014 - 02/2015 **Student assistant** - Chair of Economics
  - Lab manager
  - Organization and implementation of economic experiments
  - Planning of experimental designs, database maintenance
  - Data analysis
- 01/2014 - 03/2014 **Intern** - Korea Economic Research Institute
  - Research assistant
  - Research on current topics in Korean economics
  - Supporting data analysis
